ABBRA Releases Date and Location for 3rd Annual Summer Event

New Bedford, Massachusetts to host July Summer Symposium

Warren, RI—The American Boat Builders & Repairers Association (ABBRA) 2011 [Summer Symposium](#) is scheduled for July 18–19, 2011, at the Marriott Fairfield Inn & Suites in New Bedford, MA. **This event is open to all members of the industry.**

“Following in the footsteps of the successful 2009 and 2010 Summer Symposiums we are so pleased to move the gathering to Massachusetts in 2011,” Pam Lenzion, ABBRA president, says. Once again, the two-day Symposium will include panel seminars from industry leaders, attendee-led roundtable discussions on current issues, and a keynote presentation.

“We are always trying to make the cost of ABBRA events affordable for our members. This year to help with that goal we have secured a highly competitive room rate for all attendees,” Lenzion adds. Currently, room rates are \$125 for all attendees who utilize the host hotel. Information regarding how to secure this rate is available by request by calling 401-247-0318 or emailing jslemons@abbra.org.

A reduced-price early registration rate is available to those attendees who register no later than June 30, 2011.

For more information, please visit www.abbra.org/summer-symposium or email jslemons@abbra.org.

The American Boat Builders and Repairers Association (ABBRA), founded in 1943, strengthens and encourages professionalism in the boat building and marine service industry by providing its members with timely information, training, education and business services.

ABBRA: Dedicated to the Marine Service and Repair Industry.
